Charles,

I am e-mailing to provide you with the list of customers and/or potential customers which Mr. Lisota will be calling upon. Mr. Lisota will also agree to continue to sell products and services in his traditional geographic area and not knowingly pursue PCT customers located throughout the US and Canada. Mr. Lisota is the sole owner of BSES.

Please advise.

Mike

Mike:

As a follow up to my email. My client wants to negotiate this to a resolution but he feels that he is negotiating against himself. With that in mind, we would request a list from your client indicating who he wants to continue to call upon. This is particularly necessary in the event we have to continue this discussion into next week. Please let me know your thoughts. Also, kindly confirm who else is a member of BSES so that we are aware as to whom we need to be speaking.

Thanks.
Charles Baker
